DOG DAYCARE IN WARMINSTER IS HIRING!

Who We Are Looking For:

We are looking for one person with experience working in a Dog Daycare/Dog Park setting. You must be able to explain the issues of working with a large group of dogs and how your experience supervising such a group can benefit our business. Our facility has both indoor and outdoor play areas and you will be expected to spend 80% of your day outdoors when the weather permits.

Timeliness/Hours:

This position is for the early mornings and since the starting time is when we open, you will be expected to be on time each day. The hours for this position are 6:00am – 2:00pm four or five days a week (you will be asked to work on the weekends during the busy season).

What This Job Requires:

You will be on your feet all day. You will cleanup after the dogs. You will monitor their play and keep the dogs safe by recognizing when play is escalating. You will assist in feeding the overnight dogs. You will interact with the owners in a fashion that helps to assure them that their dogs are in good hands.

What This Job is Not:

Petting and playing with dogs all day.

Please email your resume or a letter explaining your professional experience to Info@rcdogcare.com.
